

COUGAR STRONG RACING

Sponsorship Program 2019-2020

Long Cane Middle School

Greenpower is a dynamic STEM (Science, Technology, Engineering, and Mathematics) initiative that encompasses a wide variety of skills. The goal of this program is to expose students to the world of engineering and innovation. That goal is accomplished in an exciting and engaging way with Greenpower. If you'd like to support and invest in the next generation of engineers and innovators right here in Troup county, this is a great way to do it - we need community partners just like you!

For those interested in a financial sponsorship we have several sponsorship levels to choose from depending on the level of support and exposure in which you're interested. If you would like to support this program with an in-kind sponsorship, we welcome that as well.

BENEFITS INCLUDED AT ALL SPONSORSHIP LEVELS

- Company Name on the race car
- Company Name on sponsor wall in racing lab
- Company Name on our website
- Company Name on our racing jerseys
- Company Name listed as a sponsor in our videos on our YouTube Channel
- Company Name included in our social media posting tags & hashtags
